 Annual Tuition: \$4,600

AFTER SCHOOL

Lunch Bunch for 2s & 3s
 12:00 - 1:30 pm

Enrichment for 3s - K
 1:30 - 3:00 pm

Objectives

- To provide a Christ-centered environment and a child-centered curriculum for our children.
- To provide children with a hands-on approach to learning through a variety of activities to gain independence, build self-confidence, and foster creativity.
- To provide a balance between a child's spiritual, social, emotional, intellectual, and physical development.
- To provide each child with an opportunity to mature at his or her own pace and deepen spiritual connections and Godly values.
- To teach each child that they are special just as God made them, and to help them be the best that they can be.

Mission Statement

Our mission is to demonstrate and teach this, The Great Commandment, by providing God's children a safe and loving Christian environment in which to learn, grow, and thrive.

"Love the Lord your God with all your heart and with all your soul and with all your strength. These commandments I give you today are to be on your hearts. Impress them on your children..."

— Deuteronomy 6:5-7

Philosophy

St. Peter's Preschool and Kindergarten strives to ease a child's transition from a family-oriented world to a larger social world.

We do this by using a modified child-oriented High/Scope curriculum.

Our staff of degreed teachers provides developmentally appropriate activities that give children the opportunity to gain experience in social living.

VPK & Extended Care

Registration is now underway for Voluntary Pre-Kindergarten which will be offered starting fall 2011. We also offer a variety of extended care options. If you are interested in these or have any other questions, please contact the school office at 407-333-1707.

Preschool Curriculum

All of our preschool classes develop skills through various units of study that serve as building blocks for future academic success. Classrooms are enhanced with learning centers which include housekeeping, construction and dramatic play areas as well as computers, puzzles and a variety of activities.

Two Year Olds

The program is divided into two groups: Tiny Two's and Two 1/2s. The primary focus is to balance cultivating a loving relationship between the child and the teachers and positive beginning social skills with their peers. Language development and cooperative play are fostered through a variety of activities.

Three Year Olds

This class level forms the foundation of the "active-learning curriculum." Language, motor, cognitive, spiritual, and social development are integrated into a classroom organized by learning centers. Primary goals include positive socialization with peers, exploration of new activities, and transition between activities.

Four Year Olds

At this stage, more emphasis is placed on the learning of new skills and concepts through exciting and developmentally appropriate activities. Minds on the Move enhances Science, Math and Literacy. The curriculum is taken a step further, promoting the skills necessary to prepare the child for Kindergarten.

Kindergarten at St. Peter's

In kindergarten, the children have the opportunity to achieve success in the basic skill areas while experiencing their world in very real ways. Use of the "Superkids" reading series, "Box-it and Bag-It" Math Program, and "Fall Into Science" constitutes the foundation for individualized academic advancement. Computers, learning centers, introduction to Spanish, and a low student-teacher ratio enhance the program. St. Peter's Kindergarten meets the state and county requirements as a precursor to first grade in a Christian environment.
